

## Propbase staking

PROPS Staking App is where one can stake \$PROPS and gain \$PROPS as rewards. The project is developed using the Move language, Aptos standard libraries, and runs on top of the Aptos blockchain.

### Key Highlights:

- Effortless Staking: Stake PROPS seamlessly for hassle-free earning and engagement.
- Daily Rewards: Claim gains daily, injecting dynamism into staking journey.
- Transparent Fees: Enjoy clear fee structures.
- Flexible Unstaking: Unstake your assets at any time, offering unparalleled flexibility.
- Fixed APY: Experience stability with a fixed Annual Percentage Yield (APY).
- Capped Pools: Balanced and sustainable staking environments with capped pool limits.
- First-Come, First-Served: Secure the spot in the rewarding journey with this simple participation approach.

### User roles and functions
